The present proposal is not included in the list of schemes sanctioned or proposed to be taken up by the Council during this year. The finances of the Council are being impoverished and have pronounced to be not very satisfactory by the Special Auditor.

The Govt is however prepared to be met during this year from the amount provided for Compensation. The scheme ~~is~~ perhaps to be considered to have priority over other schemes in view as required for the formation of a circle near the village Meaher which has perhaps to be completed early.

In Councillor's order that the proposal may be ~~whipped~~ (for being) 22/5

The scheme now proposed seems to be important enough to claim priority. The notification may be approved.
